

# WEEKLY WAKE-UPS HAWK FACULTY UNITED

HACCEA TOUCHPOINTS

02/15/24

## **Keeping You In the Loop**

Your HACC faculty will be sending out short weekly updates as often as possible on what is happening with our union (titled “Weekly Wake-Ups”).

You can also expect more comprehensive summary newsletters that will cover all things HACCEA..

## **Managerial Rights? Let the Labor Board Decide!**

Despite our best efforts, HACC management refused to come to an agreement with HACC faculty regarding a number for minimum class-size, citing that it is a managerial right.

Instead of moving forward with Arbitration, the HACCEA has decided to proceed with the Unfair Labor Practice charge against management that was filed last Spring. This allows the Labor Board to decide if minimum class size in higher education is a negotiable item.

## **What Are You Waiting For?**

HACC employment-related legal representation is \$10 (PT) to \$40 (FT) dollars a year, including many other benefits. Join the union *now* at [www.psea.org/enroll](http://www.psea.org/enroll).

Select “annual” for membership type (full-time) or ¼ year (part-time/adjunct).
