The Benefits of Membership

PSEA membership offers many benefits in the way of discounts and more. These opportunities can easily offset the costs of dues (once those are officially set).

Therefore, please see what benefits you are entitled to with membership:
<https://www.psea.org/for-members/member-resources2/member-benefits/>.
These benefits include financial and personal services, special and discount programs, and health and wellness programs.

Given this and, of course, for other reasons, HFU aka HACCEA encourages you to sign-up for union membership as soon as possible. Membership will provide legal representation for individual work-related grievances as well as work-related issues that affect us all, like the current ones related to tenure, promotion, and earned-wage increases. Keep in mind that NO PSEA/NEA dues will be collected until the first contract has been successfully negotiated; HACCEA's Representative Council which will be elected by September may, however, determine nominal local dues.

Please consider signing up for membership [here](#). An instructional video for the sign-up process can be found [here](#).

For membership type, adjunct faculty should select "¼ year" and full-time faculty should select "annual."
