

HAWK FACULTY UNITED

HACCEA UPDATE

8/30/23

What Ever Happened to Free Speech? Arrests Made

HACC faculty were manning tables for faculty interested in learning more about the union today at our Lancaster Campus. This is our protected right under PA Act 195 and the first amendment. Our PSEA reps, who accompanied HACC faculty in an attempt to protect our right to free speech and our efforts to educate our HACC community about the value of OUR union, were **arrested** so that our faculty didn't have to be.

HACC faculty voted overwhelmingly to unionize in April 2022; since then, HACC has shown little good faith in negotiating. Not only do they want to keep us from the table, they want to prevent us from even having a table in order to reach out and support other faculty.

Union Bargaining Update: Meeting at 6pm TONIGHT

ALL members and non-members are invited to attend a presentation from the Negotiations Committee who will update faculty on the status of contract negotiations.
